

PRESS RELEASE

(Bucharest, August 31, 2009)

New Admissions in trading environments provided by OPCOM

OPCOM has currently 137 registered companies from 13 different countries. In August, Petrom has become the 92th member on Day Ahead Market and Telesatelit, participant number 91 in Centralized Market for Green Certificates.

The other two products, Centralized Market for Bilateral Contracts (CMBC) awarded through public auction and The Centralized Market for Bilateral Contracts with Continuous Negotiation, count now 98 and 65 members, respectively.

For more information, please contact S.C. OPCOM S.A.
