

***OPCOM has been pre-registered as RRM***

Romanian gas and electricity market operator, OPCOM S.A. has been approved as pre-registered reporting mechanisms (RRMs) in the [List of RRM](#)s by the Agency for the Cooperation of Energy Regulators (ACER). The registration as a RRM is a prerequisite for offering data reporting services under the Regulation (EU) No 1227/2011 of the European Parliament and of the Council of 25 October 2011 on wholesale energy market integrity and transparency (REMIT).

Starting with 7 October 2015, all orders submitted to and trades concluded on OPCOM gas and electricity markets will be reported to ACER.

In the context of the registration process in National Register of Market Participants, OPCOM is implicit delegated party for reporting trade data concluded on the administered markets.
